I want access to: Online Banking (Only) Online Banking + Bill Pay

I understand that online banking and bill pay is a free product for regular consumer accounts. Business accounts with bill pay will be charged a monthly fee of \$5.00. For this they will receive the first 20 bill pay items free with a \$0.50 per item (bill pay) charge thereafter during each statement cycle

By signing below, I certify that the information is true and correct. I acknowledge that in consideration of The Milton Banking Company accepting this account and any other account(s) or service(s) whether existing or new, I agree to be bound by the Truth In Savings, Electronic Funds Disclosure, and other disclosures governing such account(s) or service(s), as amended from time to time and any other account opening documentation executed by me with the bank. All instructions delivered by online access will be deemed to be my written authorization to charge or credit my accounts for transactions indicated. The Milton Banking Company will provide a personalized identification number and password to access my internet banking account which is intended for my use only.
